AutoCAD Crack Free Registration Code [Latest-2022]

Cracked AutoCAD With Keygen software is licensed on a per-user basis, or per-seat basis (in enterprise installations) via a subscription model. There is also a perpetual license option. In December 2009, a version of AutoCAD Free Download was released that can import most DWG files. This is commonly known as AutoCAD LT (AutoCAD Light). To support AutoCAD LT users, Autodesk also released AutoCAD Architecture (a commercial design-automation software package) in November 2008. The Architecture (ARC) software is installed on top of AutoCAD LT and is accessible through the same interface as AutoCAD LT. To access a project in ARC, a user would select Arc from the File menu in AutoCAD LT and choose a project in the project browser. For more information on Autodesk Architecture, [click here](#). Designs created in AutoCAD LT are stored in DWG files and are not compatible with full-featured Autodesk desktop and mobile apps. Capabilities Beside the traditional dimensions, features, constraints, and text styles, AutoCAD LT includes the following specific capabilities. Rights Management [Click here](#) to download a help file that describes the rights management features of AutoCAD LT. Sketch Data Manager Sketch Data Manager provides a fast way to save and retrieve data between designs. Users can open and save Sketch Data Manager templates and directly link to objects and attributes in a Sketch Data Manager document. [Click here](#) for more information. Transaction Transaction enables users to export and import individual objects to and from another drawing (to a DWG file). Users can also configure Transaction settings for the creation and import of objects to and from Sketch Data Manager templates. Character Options Character Options provides a way for users to fine-tune the appearance of drawing objects. [Click here](#) for more information. Help AutoCAD LT has extensive Help documentation that can be accessed by clicking Help from the application's taskbar icon. [Click here](#) for more information. Onscreen Help Autodesk® AutoCAD® LT 2017 is a registered trademark and help is available from the Help menu (F1). Design Management Design Management enables users to add comments to drawings, set review dates, track changes, and print to paper, PDF, and DWF format.
